

You are Invited to Attend the 78th PA Counsellors Annual Banquet

PDG Dave Stitely, President, invites you and your Partner-In-Service to attend the 78th Annual Pennsylvania counsellors Banquet to be held **Friday, May 19, 2017** at Seven springs mountain Resort in conjunction with the 94th Annual Multiple District 14 (Pennsylvania) Lions Clubs State Convention.

Dinner will be served at 6 PM. The price of the banquet is \$25 per person inclusive. Meal choices are listed on the reservation form. This is a great opportunity “break bread” with our International President Chancellor Bob Corlew and his Partner-In-Service Lion Dianne.

Deadline for reservations is April 30, 2017. There will be no meals available for purchase at the convention. Reserved seating will be provided for the 2016-2017 Council members and the International Family.

All current District Governors and Partners are encouraged to attend as you will be inducted into the PA Counsellors Association. Past District Governors and all convention attendees are also encouraged to attend the banquet. Dress for the head table, International family and all current District Governors will be summer formal as you will be attending the Necrology Service immediately following the banquet.

In addition to the banquet, there will be a business meeting for the Association. Please see your convention program for the time and place of this business meeting. The officers for the 2017-2018 year will be elected. The new Vice-President will come from District 14-G and the Secretary and Treasurer can be elected from nominations received from any district in MD 14. This year the Past Counsellors Association is sponsoring the major service project on Saturday, May 20th. A large attendance at the banquet will show your support for the Association and its commitment to service.

We look forward to seeing you at the 78th Annual Pennsylvania Counsellors Banquet as well as the business meeting.
