

Q:What is a necrology service?

Quick Answer

A necrology service is a type of service that memorializes the lives of multiple people or animals. The definition of necrology is a list of deaths or an obituary.

For those of you have never attended a State Convention, the Necrology Service is actually the official opening to the Convention. It is held on Friday evening at the convention sight and is always well-attended. A booklet is handed to each person attending indicating by District, those Lions, Lionesses, and Leo members who have passed away during the previous calendar year (January 1, 2016 through December 31, 2016).

The Necrology Committee for this year's convention at Seven Springs is putting together a memorial slideshow to be presented in the time before the Necrology Service begins. Therefore, the Necrology Committee is requesting from each Lion, Lioness, and Leo Club that has lost a member(s) in the time period January 1 through December 31, 2016, to submit the following to the committee:

1. A clear picture of the departed member. ***PLEASE NOTE:*** If a picture is not available, please send the information and we will substitute the Lions Emblem for the picture.
2. Club Name and District
3. Highest office held i.e. District Governor, President, etc.
4. Dates of Lion service (Date joined, date died, and number of years as a member)

If at all possible, please submit the above electronically to tomgregg1@verizon.net by April 15, 2017. If it is mailed, please send to:
