

## **WEB SITE DESIGNER**

### **PURPOSE:**

The position of Web Site Designer is to create and design a web site for the Lions of Pennsylvania.

### **GENERAL**

1. An individual interested in the position of Web Site Designer shall demonstrate a proficiency in the creation of attractive, efficient and user friendly websites that can be shown as prototypes or as currently active websites.
2. The Designer shall produce a web site with appropriate content and links as specified by the State Administrator and approved by the Council of Governors.
3. The Designer shall be considered an independent contractor and shall be interviewed and selected by the State Administrator and approved by the Council of Governors.
4. The Designer shall be paid a predetermined fee for the design of the Multiple District web site. The Designer shall receive an hourly rate for any modifications to the web site as determined by the State Administrator and approved by the Council of Governors.
