

# *Necrology - A Service of Remembrance*

The Necrology Committee for this years' state convention at the Kalahari Resorts would like to put together a memorial slide show to be presented prior to the beginning of the Necrology Service. The committee requests that your district submit a picture of each Lion, Lioness or Leo that has passed within the calendar year 2018. If a picture is not available, send the information for the deceased Lion. It will be included with a Lion emblem for the slide presentation. The following information should also be included:

1. A clear picture of the departed member. Please note: if a picture is not available, please send the information and we will substitute the Lions Emblem for the picture.
2. Club Name and District
3. Highest office held i.e. District Governor, Club President, etc.
4. Dates of Lions' service (Date Joined, date died, and number of years as a member)

This information is available on the deceased member list from MYLCI.

*If possible, please submit the above electronically (preferred method) to:*
